# ANNUAL REPORT

Town of Newton, N. H.

Financial Year Ending December 31,

1977

# *University of New Hampshire Library*

## **PACKER MEADOWS**

The new senior housing complex owned and operated by Berkshire Builders Inc. of Bedford, N.H.

This project scheduled for occupancy this spring will offer forty-five units of federally subsidized housing for senior citizens of Newton and the surrounding area.

We wish to take this opportunity to welcome Berkshire Builders, Inc. and feel that Packer Meadows will be an asset to the community.

**CO-DEDICATION  
FOR SERVICE TO THE COMMUNITY  
DOROTHY W. RICHARDS**

Dorothy W. Richards was born in Newton, March 6, 1901. A life-long resident of Newton, Dot served as Postmaster, succeeding her mother, Alice E. Wilder, in that office in 1944, until her retirement in 1971. During her tenure of office, the Newton Post Office changed from fourth class to third class. She also owned and operated Wilder's Grocery Store during some of those years. A store which was established by her grandfather, William Wallace Wilder.

Dot's family consists of four children; F. Penry Richards, Jr., Nancy R. Field, Margery R. Hanson and David W. Richards, all of whom still reside in Newton. She also has fifteen grandchildren and nine great grandchildren residing in New Hampshire, Florida and Hawaii.

Dot, a graduate of Haverhill (Mass.) High School and Wheelock College, (Boston, Mass.), has always been active in the social and civic life of her community.

A long time member of the Ladies Aid Society of the First Baptist Church and the Sireens (Ladies Auxiliary) of the Newton Fire Department, she also served for a time as Chairman of the local Red Cross Chapter.

The citizens of Newton co-dedicate this year's Town Report to you, Dot. You will long be remembered as a faithful postmaster, a good citizen and a kindly neighbor who always had the time and made the effort to do the "little extras" which added so much to our daily living.

**CO-DEDICATION  
FOR SERVICE TO THE COMMUNITY  
CLIFFORD R. BRYER**

Born November 5, 1907 in Saugus, Mass., he moved to Newton in 1941 to take up permanent residency in his former summer home on New Boston Road.

There he ran a landscaping business through 1942. From 1942 to 1969 he was self employed in the building trades business, in which time he built and remodeled several homes in Newton and the surrounding areas.

Mr. Bryer was also a past deacon of the First Christian Church and wrote the history of the First Christian Church in 1957.

Mr. Bryer served the community in the following capacities.

1. School Building Study Program Committee, 1948
2. Finance Committee, 1948-1954
3. Town Moderator, 1954 - 1972
4. Newton School District Moderator, 1960-1966
5. Trustee of the Gale Library, 1965-1976

One of his most vivid memories was participating in this town's bicentennial celebration.

The town wishes to thank Clifford R. Bryer for his many years of dedication to Newton and its citizens.

# **TOWN WARRANT**

## **THE STATE OF NEW HAMPSHIRE TOWN WARRANT**

**THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:30 P.M.**

To the Inhabitants of the Town of Newton, N.H., in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the fourteenth day of March next, at ten o'clock in the forenoon, to choose all the necessary Town Officers for the ensuing year, by official ballot, and to take other action required to be inserted on said ballot; the polls to open at 10 o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Middle School in Newton, on Wednesday, March 15, 1978, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the meeting.

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of the adoption of the following amendment proposed by the planning board for the town of Newton zoning ordinance as follows?

AMEND THE ZONING MAP OF THE TOWN SO THAT approximately 5.7 acres of land, located on Easterly side of Merrimac Road, presently owned by Chester E. Bearce, as recorded in Rockingham Registry of Deeds, Records Book 2207, Page 0850, from Residential A to Commercial.

DESCRIBED AS FOLLOWS: Beginning at a point on the Easterly side of said Merrimac Road, at the Southwesterly corner of the described premises and at land of Elmer C. Bearce et ux, which said point is 812 feet, more or less, Northerly of land now or formerly of Veal, and thence running North 27° 19' 30'' West 155.17 feet and continuing North 23° 33' 30'' West along land of said Bearce 80 feet to a point at land now or formerly of Sandra M. Bearce; thence turning and running North 65° 15' 57'' East along land of said Bearce 260.72 feet to a point; thence continuing North 66° 20' 10'' East along land of Houle 414.16 feet to a point at land now or formerly of Bucklin; thence turning and running South 18° 09' 00'' East along land of said Bucklin 376.88 feet to a point at land of Elmer C. Bearce et ux; thence turning and running South 72° 55' 50'' West along land of said Bearce 367.45 feet to a point; thence continuing South 63° 20' 10'' West along land of said Bearce 354.46 feet to the point of beginning; containing 5.7 acres.

Recorded in Rockingham Records Book 2207, Page 0850.

3. Move that the Town raise and appropriate the sum of \$212,151.00 to defray Town charges for the ensuing year, including all charges as shown in the Town Budget as posted with the Town Warrant.

4. To hear the reports of Town Officers and pass any vote relating thereto.

5. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

6. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's deed or through Old Age Assistance, or any other property of the Town not used for public purposes.

7. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount
Town Officers Expenses	\$3,000.00
Town Hall & Other Buildings	3,000.00
Police Department	8,000.00
Fire Department	8,000.00
Town Dump	6,000.00
Library	3,000.00
Recreation	1,000.00
Total	32,000.00

8. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capitol Reserve Fund toward the future purchase of a forest fire fighting unit.

9. To see if the Town will vote to appropriate the sum of \$12,000.00 for the Administrative Assistant to the Selectmen, said position includes assistance to the Planning Board and Board of Adjustment, and to authorize the Selectmen to secure the sum of \$5,000.00 towards this amount from the Rockingham/Strafford Employment and Training Consortium, for this purpose, with the sum of \$7,000.00 to be raised by taxes.

10. To see if the Town will vote to increase the hourly fire department wage to \$4.00 per hour and raise and appropriate \$4,000.00 for such purpose.

11. To see if the Town will vote to raise and appropriate the sum of \$331.99 so as to entitle it to receive \$2,213.29 in Town Road Aid from the State of N.H. as a contribution for construction, reconstruction of Class IV and Class V highways.

12. To see if the Town will vote to receive, and expend, State of N.H. Highway subsidy funds in the sum of \$9,400.62 for maintenance, construction, reconstruction and betterment aid of Class IV and Class V highways.

13. To see if the Town will vote to raise and appropriate the sum of \$1,989.00 for the Greater Salem Community Mental Health Center.

14. To see if the Town will vote to raise and appropriate the sum of \$975.00 for Senior Citizens Center in Newton.

15. To see if the Town will vote to raise and appropriate the sum of \$3,446.55 to purchase Visiting Nurse Services for the residents of Newton

from the Medicare certified Exeter Area Visiting Nurse Assoc., Inc. and authorize the Selectmen to appoint two representatives to serve on the Board of Directors of the Association.

16. To see whether the Town will vote to join the Southern Rockingham Regional Planning District Commission and make an appropriation of \$1,770.00 for annual dues.

17. To see if the Town will vote to raise and appropriate the sum of \$700.00 for Ambulance Services furnished by the Town of Kingston.

18. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 for the completion of refuse disposal facilities.

19. To see if the Town may authorize the printing of the reports of the Trustees and of the Auditors report of those accounts in summary form rather than in full detail in the Annual Town Report. This is an amendment to R.S.A. 33:3, the statutory requirements regarding the publication of the annual report of the Trustees of Trust Funds, and amended by Chapter 45 of the Laws of the 1977 Legislature, which "Act" became effective June 11, 1977.

20. To see if the Town will raise and appropriate the sum of \$800.00 for reconstruction of a bridge on the former B&M Railroad West Amesbury Branch, as a Conservation Commission project.

21. Upon petition of ten or more legal voters to see if the Town will vote to raise the salary of the Town Treasurer from \$1,000.00 to \$1,500.00 and the salary of the Town Clerk from \$300.00 to \$600.00 and raise and appropriate the sum of \$800.00 (eight hundred dollars) for this purpose.

22. Upon petition of ten or more legal voters to see if the Town will vote to authorize the Selectmen to employ a qualified appraiser to assist the Selectmen to employ a qualified appraiser to assist the Selectmen in assessing all new properties as of April 1, 1978, and raise and appropriate the sum of \$2,000.00 for this purpose.

23. Upon petition of ten or more legal voters to see if the Town will send a letter to the General Court urging the court to pass legislation that would prohibit utilities from including their rates financing charges for facilities not actually able to provide service.

24. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to install a four (4) zone fire alarm system in the Town Hall.

25. To see if the Town will vote to authorize the Selectmen to accept and expend Federal Manpower monies in the sum of \$28,000.00 under the Rockingham Strafford Manpower Program for the ensuing year as a 100% funded grant.

26. On petition of ten or more legal voters to see if the Town will vote to raise and appropriate the sum of \$50.00 to assist Rockingham Child and Family Services.

27. To see if the Town will vote to accept and expend State of N.H. additional Highway subsidy Funds in the sum of \$5,393.29, which shall be used only for construction or reconstruction of Class IV and V highways and shall be used to increase the highway appropriation of the municipality as of 1977.

28. To see if the Town will vote to accept and expend CETA Title III C, Youth Community Conservation and Improvement Project Funds in the sum of \$12,000.00, which shall be used only for renovations of the town library and grounds as a 100% funded grant.

29. To see if the Town will authorize the Selectmen to apply for, receive, and expend a sum of \$10,000.00 (ten thousand dollars) if granted and available, or awarded under the State of N.H. Highway Safety Radar Program as a one hundred percent (100%) state funded grant.

30. To see if the Town will appropriate the sum of \$15,000.00 for senior citizen transportation providing the Selectmen secure the sum of \$7,500.00 from matching funds available from the New Hampshire Charitable Trust for this purpose, with the sum of \$7,500.00 to be raised by taxes.

31. Upon petition of ten or more legal voters to see if the Town will vote to install four (4) street lights in Blueberry Hill Development and raise and appropriate the sum of \$265.00 for same.

32. To see if the Town will vote to authorize the Selectmen to adopt by-laws governing disposal of wastes and fix reasonable fees for using public facilities for disposal of such wastes as provided in R.S.A. 147:26-A as amended.

33. To see if the Town will vote to raise and appropriate \$5,000.00 for the renovation of the Old Town Cemetery.

34. To see if the Town will vote to authorize withdrawal from the Public Works Employment Act of 1976 Title II Anti-Recession fiscal Assistance Fund the sum of \$176.00 for use as a set-off against the operating budget appropriation for the Police Department.

35. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a capitol reserve fund for a re.assessment in 1981 of all real property in the Town.

36. Upon petition of ten or more legal voters to see if the Town will vote to accept a right of way (Approximately 200 feet in length) adjacent fo #36 Marcoux Grove as a town road.

37. To see if the Town will raise and appropriate the sum of \$10,000.00 to be used for the purchase of a Police and Fire Emergency Unit. 50% of the sum to be reimbursed by the N.H. Highway Safety Agency.

38. To see if the Town will vote to withdraw \$20,000.00 from the capital reserve fund, established for the purchase of fire equipment and to spend all or part of this sum to acquire a forest fire fighting unit.

39. To see if the Town will vote to adopt the following regulations concerning the installation of coal and wood burning equipment, as contained in Newton Fire Dept. pamphlet #100.

**Regulations for installing wood & coal burning stoves**

- A. Chimneys for wood or coal burning stoves will be constructed in with N.F.D. Pamphlet #100 Chapters # 7&8.
- B. Chimney connectors for wood or coal burning stoves will be installed in accordance with N.F.D. Pamphlet #100 Chapter 11.
- C. Each wood or coal burning stove will be connected to its own flue

and each flue will have a clean out door.

- D. Each stove will have at least a 36" clearance from surrounding combustible materials. This includes furniture, walls, fuel supply.
- E. If stove is to be placed on a combustible floor, adequate protection must be installed. This protection must extend 18" forward of the stove and 12" to each side and rear of stove.
- F. Floor protection must consist of 24 gauge sheet metal placed over 1/4" asbestos board OR other material that provides a substantially equivalent degree of safety as permitted by the Fire Inspector.
- G. Stove must have legs 4" MINIMUM in length.

#### **Wall and floor protection for wood or coal burning stoves**

##### **Wall Protection**

The following construction materials and methods will allow a wood or coal burning stove to be placed to within 18" from combustible materials. If NO protection is installed a wood or coal burning stove must be kept 36" away from combustible materials!

- A. 1. Combustible material covered with regular sheetrock (U.S. gypsum).
- 2. Brick laid 4" thickness against the sheet rock.
- B. 1. Combustible material covered with regular sheetrock.
- 2. Install 5/8" fire code sheet rock with one inch air space between materials, listed in #1 and #2.
- C. 1. Combustible material covered with regular sheetrock.
- 2. Install 22 gauge sheet metal with one inch air space between materials, listed in #1 and #2.
- D. 1. Combustible material covered with regular sheet rock.
- 2. Install 1/4" asbestos board with one inch air space between materials, listed in #1 and #2.

##### **Floor Protection**

The following construction materials and methods will allow a wood or coal burning stove to be placed on a combustible floor. Regardless of protection installed the stove must have legs at least 4" long!!!

- A.1. Combustible material covered with brick laid on 2" thickness over enough area to include 12" to rear and sides of wood or coal burning stove and 18" to front of stove. (This assumes a front loading stove - if stove is side loading, the 18" protection area must be to the loading side.)
- B. 1. Combustible material covered with 24 gauge sheet metal placed over 1/4" asbestos board. This protection must cover the same floor area as described in A-1 previous.
- C. 1. Other materials and methods may be used which provide a substantially equivalent degree of safety, however, each such installation MUST be approved by the Fire Inspector.

40. Upon petition of ten or more legal voters to see if the Town will share in the materials, machinery and labor expense of maintaining a satisfactory condition that portion of Wenmark Grove Road beginning at its origination on Pond Street and extending a distance of

approximately one-quarter mile to the Town Beach parking lot.

41. Upon petition of ten or more legal voters to see if the Town will install a chain link or wood fence, cost not to exceed \$2,500.00 on the Southwestern property line of the Town park and Beach on Country Pond.

42. Upon petition of ten or more legal voters to see if the Town will vote to provide a lifeguard/supervisor to be stationed at the Town Beach on Country Pond during the Summer months and to raise and appropriate a sum not to exceed \$4,000.00 for the same.

43. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and Seventy-eight.

Robert E. Weston

Richard N. Sicard

William A. Baker

Selectmen of Newton

**RECORDS OF SPECIAL TOWN MEETING  
AUGUST 3, 1977**

The meeting was called to order by the Moderator, Horace R. Williams, at 10 a.m. and the polls were opened. The polls closed at 6 p.m.

the following questions were voted on by paper ballot.

Total number of voters on Check List	1450
Total number of votes cast	257

Are you in favor of the adoption of amendment number 1 as proposed by the planning board for the town of Newton zoning ordinance as follows: Amend Section II by adding No. 6, Senior Citizens Housing Zone. Add a new Section XIIA, Senior Citizens Residential Zone.

1. Multi-family dwellings for occupancy by senior citizens only. For eligibility under this section, senior citizens occupancy shall mean occupancy by a family unit or by individuals where the head of the household is at least 62 years of age.

Multi-family dwelling units for senior citizens shall be one story, one bedroom buildings and shall have a minimum floor area of 620 square feet per dwelling unit. There shall be at least 40,000 square feet of lot area provided for each dwelling unit.

The plans for multi-family dwellings shall be submitted to the Planning Board and Building Inspector for site review and planning approval prior to the commencement of any construction on the property.

Amend the zoning map of the town: By showing a senior citizens residence zone on the westerly side of Whittier Street beginning at the Southerly side of a right-of-way opposite the center of Highland Street; thence running Northeasterly a distance of 50 feet along Whittier Street to a point; thence running Northerly a distance of 370 feet along land of Packer to a point; thence running Northeasterly along land of Packer a distance of 300 feet to land of Stewart; thence running Northerly 1800 feet to land of Delaney and Woodsum; thence running Northwesterly 1000 feet to other land of Woodsum; thence running Southerly by land of Woodsum, Day and Keating a distance of 2700 feet to a junction at land of Marden; Thence running Easterly a distance of 450 feet to a point; thence running Northerly a distance of 250 feet to a point; thence running Easterly 200 feet to a point; thence running Southerly 250 feet to a point; thence running Southeasterly a distance of 50 feet to point begun at.

YES 236 NO 21

Are you in favor of the adoption of amendment number 2 as proposed by the planning board for the town of Newton zoning ordinance as follows:

Amend the zoning map of the town: By extending the industrial zone of the Town on the Southerly side of the Boston and Main spur line which ends at Whittier Street. Described as follows: Starting at the Northern side of the Boston and Maine spur line thence running Southwesterly along Whittier Street a distance of 1250 feet to the Town Cemetery; thence running Northwesterly 400 feet long said cemetery to a point; thence running Southwesterly 200 feet along said cemetery to a point; thence running Northwesterly 200 feet to the existing industrial zone; thence running Northeasterly along said industrial zone a distance of 650 feet to the Northern side of the Boston and Maine spur line; thence running easterly along said spur line a distance of 1225 feet to the point begun at. Buffer zone: A buffer zone shall run along Whittier Street a depth of 75 feet, with areas for egress and ingress approved by the Planning Board. The buffer area will continue to run along the Town Cemetery land Northwesterly for 400 feet to a point; thence running Southwesterly 200 feet at a depth of 100 feet. The buffer zone shall consist of trees to screen the area from sight and noise.

YES 231 NO 22

Are you in favor of the adoption of Amendment number 3 as proposed by the planning board for the town of Newton zoning ordinance as follows:

Amend the zoning map of the town so that the land area beginning on the intersection of Route 108 and the Plaistow town line running Northwesterly along said Route 108 a distance of 1100 feet, more or less, to the Southerly sideline of land of Jim How Chevrolet and extending Westerly from Route 108 and a line parallel to said Route 108 distant 500 feet from said Route 108 shall constitute a commercial zone.

YES 242 NO 13

Trustee of Trust Funds for three years	
Beth M. Callahan	576

ARTICLE 2. Shall the provisions for absentee ballot for the election town officers be adopted by this town?  
YES 494 NO 134

ARTICLE 3. Do you approve of having two sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and other action required to be inserted on said ballot and the second session, on a date set by the selectmen, for transaction other business?  
YES 451 NO 170

The meeting was called to order by the Moderator, Horace R. Williams, at 7:05 p.m.. Mr. Williams called on the Rev. Thomas Hourihan, Pastor of the Newton Jct. Baptist Church, for the Invocation.

The Moderator read the results of the balloting on Articles 1, 2 and 3 on Tuesday, March 8, 1977.

ARTICLE 4. The motion was made and seconded to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

The motion was made and seconded to amend the motion to act on this article after Article 41. The motion was defeated.

The original motion was voted in the affirmative.

ARTICLE 5. It was voted to accept the reports of Town officers as printed in the Town Report.

ARTICLE 6. It was voted to authorize the Selectmen to hire money in anticipation of taxes.

ARTICLE 7. It was voted to authorize the Selectmen to sell property acquired by Tax Collector's deed or through Old Age Assistance, or any other property of the Town not used for public purposes.

ARTICLE 8. It was moved and seconded to appropriate and authorize

the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith:

Appropriation	Amount
Town Officer's Expenses	\$3,000.00
Town Hall & Other buildings	3,000.00
Police Department	8,000.00
Fire Department	8,000.00
Town Dump	4,000.00
Library	3,000.00
Recreation	1,000.00
Total	\$30,000.00
Motion was approved by a hand vote: YES 121 NO 50	

ARTICLE 9. It was voted to rescind the action taken at the 1976 Town Meeting on Article 34 and to exclude from its Social Security plan services performed by Election officials of Election workers for each calendar quarter in which the remuneration paid for such services is less than \$50.00.

ARTICLE 10. It was voted to authorize the Selectmen to apply for, receive and expend such Federal Funds or Grants as may be available or awarded under the Public Works Employment Act of 1976.

ARTICLE 11. The motion was made and seconded to have the Town accept the transfer to it, from the Sanborn School District, the Village School land and building on South Main Street.

The motion was made and seconded to amend this motion to "have the Town accept the transfer to it, from the Sanborn School District, the Village School land and building on South Main Street and said property to be used as a Public Library". The amendment was voted in the affirmative. The original motion was approved as amended.

ARTICLE 12. The motion was made and seconded to exclude all radioactive materials, exclusive of that intended for medical purposes, from being transported through the Town of Newton.

The motion was made and seconded to amend this article to read "all radioactive waste". The amendment was defeated.

The original motion was defeated.

ARTICLE 13. It was voted to raise and appropriate the sum of \$334.13 so as to entitle the Town to receive \$2,227.53 in Town Road Aid from the State of N.H. as a contribution for construction, reconstruction, and betterment aid of Class IV and Class V roads.

ARTICLE 14. It was voted to have the Town receive and expend, State

of N.H. Highway subsidy funds in the sum of \$9,406.51 for maintenance, construction, and reconstruction of Class IV and Class V highways.

ARTICLE 25. It was voted to authorize the Selectmen to apply for, receive, and expend a sum of \$11,200.00 so granted, available or awarded under the State of N.H. Highway Safety Radar program as a 100% State funded grant.

ARTICLE 16. It was voted to authorize withdrawal from the Public Works Employment Act of 1976 Title // anti-recession fiscal assistance fund the sum of \$211.00 for use as a set-off against the operating budget appropriation for the Police Department.

ARTICLE 17. It was voted to raise and appropriate the sum of \$256.00 so as to entitle the Town to receive \$5,126.00 to be used for a Police Summer Cadet Program, and to authorize the Selectmen to apply for, receive, and expend those funds or grants as may be available or awarded under the State of N.H. Crime Commission.

ARTICLE 18. It was voted to raise and appropriate the sum of \$3,500.00 to entitle the Town to receive \$10,500.00 to be used as a set-off against budgeted appropriations for part time officers, and to authorize the Selectmen to apply for, receive, and expend those funds or grants as may be available or awarded under the State of N.H. Crime Commission.

ARTICLE 19. It was voted to raise and appropriate the sum of \$1,200.00 for the Greater Salem Community Mental Health Centre.

ARTICLE 20. It was voted to raise and appropriate the sum of \$975.00 for a Senior Citizens Center in Newton. Said money will be used for the Newton Jct. Community Hall.

ARTICLE 21. It was voted to raise and appropriate the sum of \$2,933.00 to purchase Visiting Nurse Service for the residents of Newton from the Medicare certified Exeter Area Visiting Nurse Assoc., Inc., and to appoint two representatives to serve on the Board of Directors of the Association.

ARTICLE 22. It was voted to have the Town join the Southern Rockingham Regional Planning District Commission and to make an appropriation of \$1,440.00 for the annual dues.

ARTICLE 23. It was voted to raise and appropriate the sum of \$700.00 for Ambulance service furnished by the Town of Kingston.

ARTICLE 24. It was voted to raise and appropriate the sum of \$46,000.00 for future refuse disposal facilities. A committee will be formed of the Selectmen, Planning Board and Conservation Commission

to study several different plans for the disposal facilities.

The Moderator announced that on following articles he would delete the words “and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972” as the Revenue Sharing money was appropriated in Article 8.

ARTICLE 25. It was voted by a hand vote to raise and appropriate the sum of \$1,000.00 for the construction of a barn on the Marshall property for storage and display as part of the Town’s Bicentennial program.

Results of the hand vote: YES 93 NO 73

ARTICLE 26. It was voted to raise and seconded to raise and appropriate the sum of \$6,200.00 for the purchase of the entire railroad right-of-way from Whittier Street to the Merrimac, Mass. line to be used for Conservation and Recreation.

ARTICLE 27. The motion was made and seconded to raise and appropriate the sum of \$10,000.00 to be placed in a capital reserve fund for a reassessment in 1980 of all real property in the Town.

The motion was made and seconded to table this article indefinitely.

Results of hand vote: YES 88 NO 102

The original motion on this article was defeated: YES 91 NO 92

ARTICLE 28. The motion was made and seconded to raise and appropriate the sum of \$15,000.00 for a new public library building, to be applied to building construction and design, site development, fixed and movable equipment.

The motion was made and seconded to amend this motion to read \$10,000.00 instead of \$15,000.00. The motion to amend was voted in the affirmative.

The main motion as amended was defeated.

ARTICLE 29. It was voted to raise and appropriate the sum of \$2,950.00 for the purchase of five portable radios for the Fire Department.

Results of the hand vote: YES 97 NO 79

ARTICLE 30. It was voted to raise and appropriate the sum of \$5,000.00 to be placed in a capital reserve fund toward the future purchase of fire equipment. Results of the hand vote: YES 86 NO 81

ARTICLE 31. The motion to raise and appropriate the sum of \$3,800.00 to replace the roofing on the Town Hall was defeated.

ARTICLE 32. The motion to raise and appropriate the sum of \$5,000.00 to construct a building on the Heath Street site to be utilized

for indoor Recreation Activities was defeated.

ARTICLE 33. It was voted to raise and appropriate the sum of \$5,700.00 to purchase a new Police cruiser.

ARTICLE 34. The motion to raise and appropriate the sum of \$1,000.00 to purchase a reconditioned microfilm reader and to have the old records microfilmed was voted in the affirmative by a hand vote.  
YES 92 NO59

ARTICLE 35. It was voted to raise and appropriate the sum of \$205.00 to reimburse, in part, the Rockingham Child and Family Services for services rendered to 15 families of the Town of Newton during the 1976 calendar year.

ARTICLE 36. The motion to raise and appropriate the sum of \$1,000.00 to purchase uniforms and equipment for the Newton Little League was defeated.

ARTICLE 37. The motion to install fourteen street lights on Smith Corner Road and raise and appropriate money for the same was defeated.

ARTICLE 38. The motion to install street lights on pole numbers 1206 at Whipporwill Drive and Bear Hill Rd. and pole 1259 on Whipporwill Drive was defeated.

ARTICLE 39. The motion to install a street light on pole 1005 at the far end of Bear Hill Rd. was defeated.

ARTICLE 40. On a motion by Robert E. Weston, it was voted to amend article 40 to authorize the Selectmen to accept and expend Federal Manpower monies in the sum of \$15,000.00 under the Rockingham Strafford Manpower Program for the ensuing year as a 100% funded grant. The article as amended was voted in the affirmative.

ARTICLE 41. It was voted to accept from the Town of South Hampton \$3,500.00 for the use of the Newton Town Dump.

ARTICLE 42. The Selectmen asked the opinion of those present if they would welcome the Antonelli Iron Works of Quincy, Mass. and if they would be in favor of holding a special Town Meeting to make the necessary zoning changes for the company. The reaction was favorable.

Mr. Robert Gleichauf asked the opinion of the voters if they would support the building of federally funded housing for the elderly, this would require a zoning variance. All present were in favor.

Meeting adjourned at 11 p.m.

**AUDITOR'S REPORT**

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, and Treasurer of the Gale Library and find them properly cast and well-vouched.

We find the Treasurer, Tax Collector, Town Clerk, and Trustees of the Trust Funds to be properly bonded.

We hereby certify that we have examined the accounts of the Trustees of the Trust Funds and Revenue Sharing Funds of the Town of Newton, together with a detailed statement of the receipts and expenditures with proper vouchers.

Signed,  
Patricia DeSantis  
Michael DeSantis  
Auditors

## **REPORT OF THE GALE LIBRARY TRUSTEES FOR 1977**

Dear Citizens and Taxpayers of Newton:

It is with a sense of appreciation and pride that the trustees take this opportunity to report to you on a year of major accomplishment and progress for The Gale Library. We would also like to share with you our plan and activities for the future.

As you recall, it was at the last annual Town Meeting that the taxpayers, understanding the overcrowded and inadequate conditions of the present library facilities, conveyed the Old Village School to the Board of Trustees. We are pleased to report at this time, that, appreciating the wishes of the community to utilize this building which had played such an important role in the lives of so many of its citizens, we have completed the first phase of the rehabilitation of the building and it now proudly houses the Gale Library.

This project, made possible by the generous appropriations of Revenue Sharing monies and by the hard work and dedication of the Friends of the Library and other interested citizens, included the installation of new electrical and plumbing utilities, rehabilitation of the heating system, new and improved building supports, installation of an emergency lighting system, complete renovation and decoration of the first floor; new shelving and the installation of a new librarian's charge

desk and work area donated by the Friends. This project would not have been possible without the commitment and hard work of our librarian, Mrs. Marjorie Reynolds, The Friends of the Gale Library, the Board of Selectmen and their assistant, Mr. Al Mears, and the many other concerned and supportive citizens of the community.

The completion of the first phase of the project, along with the successful completion of the Public Library Techniques course of study by Mrs. Reynolds, has allowed Gale Library, for the first time, to qualify for certification and approval as a New Hampshire Public Library in accordance with state statutes and regulations.

We, as a community, should be very proud of this accomplishment and should see it as part of the continued growth of a vital community service. Therefore, as we continue to plan for the future and in order that we may continue to meet the ever-changing needs of the community, we propose to undertake, with your continued support, the following activities:

1. The complete restoration of the exterior of the building.
2. The renovation of the second floor to include a trustees' meeting and archives room, a community meeting room, and room for our expanding collection.
3. Insulation of the attic and other areas to make the building more energy-efficient.
4. Extended library hours to include, at a minimum, one more evening and/or Saturday morning opening.
5. Continued expansion of our present collection to meet the needs of a changing community.
6. Initiation of an adult services program geared to the interests of the community.
7. Continued and increased affiliation with district, regional, and state associations.

With these and other goals in mind, it is with deep appreciation that we extend our thanks to the citizens of Newton for a very successful year and look for your continued support through the use of the library's services, and most importantly, through your approval of our proposed 1978-79 budget.

We also hope that the Town will accept the Grant of \$9,290.34 from the Youth Community Conservation and Improvement Project, which requires an affirmative vote on the Warrant article. This Grant will provide the necessary labor to continue the renovation of Gale Library.

Respectfully submitted,  
Trustees of Gale Library  
Marlin N. Murdock  
George Hughes  
Betsy B. Eaton

Balance on hand on December 31, 1977		\$15.22

To say the past year has been busy at the library is an understatement. From the moment the voters gave us the directive to convert the Village School to a new home for Gale Library, our activity mounted with a feverish pitch. The Librarian completed the Public Library Techniques Courses at UNH and will formally graduate at ceremonies at the end of the 1978 Summer Session at the University.

The staff has noted a marked increase this past year in demands made by students for reference help on projects and related work in the schools. This demand in turn points up weak areas in our collection which we are trying to strengthen. This type of book is usually expensive so prudent choices have to be made when purchasing. Materials which have to be obtained from the State Library can mean a delay in the patrons getting the material and a limit is always put on the time it is available in our library. We must further develop our own collection if patrons are to have the materials available when they need them. We plan to work closely with the school libraries at Memorial and Middle Schools so that unnecessary duplication of materials will not occur.

The support of the Friends of Gale Library has made the staffs work much more pleasant and productive. They have not only purchased several books for our use, but have contributed hours helping with our storytimes, serving refreshments, conducting fairs and booksales, and helping with the renovation work. We are looking forward to sharing many more activities with them as we begin to use the renovated library. While we have many new goals for better service to the libraries patrons, 1977 saw great progress in meeting goals for which we have been striving since the start of the N.H. Library Development Program in the early 60's. All former librarians and trustees are to be commended for their support in helping us meet those goals. It has taken much time, money and plain hard work.

The staff wants you to know we are always ready to help you in whatever way we can. We do, however, have to ask for some consideration from you. If you can forewarn us of your needs, we can serve you so much better. If you will promptly return the materials you borrow, it will save us time and money calling and/or writing you in regard to overdue. Our service at the library is closely related to the support and cooperation we receive from the public. Can we count on your support again in 1978?

Marjorie I. Reynolds,  
Librarian

## **REPORT OF THE NEWTON CONSERVATION COMMISSION**

During the year 1977, the Conservation Commission continued its program of protecting Newton's open spaces and wetlands. The Commission has approximately 55 acres of land under its direct control and supervision and any other wetland in Newton must have the approval of the Commission and State before it may be dredged and/or filled. This means any low lying meadow or swamp that may only have water in it a few months of the year must have permission to alter it in any way for the protection of our underground water supply and flood control. Unfortunately, much of the Conservation Commission's time has been spent trying to contact State agencies responsible for this law, trying to get their help in enforcement, usually after the damage has been done. Some corrective measures were made by individuals and contractors, but as the town grows more violations are evident every year and in 1978 the Commission will undertake suggestions and planning for stricter control.

The Commission also continued the re-forestration program on the Hadley Rd. property, which will eventually be a marketable product for the town. Also out of town monies available to the Commission, 15-18 flowering crab trees were given to citizens this year for roadside planting in front of homes as a beautification project.

Clean-up week is also supervised by the Conservation Commission, working with various youth groups who clean roadside trash, help clean brush from old cemeteries and planting trees.

The barn at the Marshall property was finished as a Bi-Centennial project of the town. From the cutting of the trees, milling them, and using the lumber for construction, the barn was built by many civic minded individuals, Historical Society and Conservation Commission members. It was open to the public at Christmas when many people viewed old farming and ice cutting implements and the old Newton carriage stored in the barn.

The biggest project to be undertaken this year was the planning of the new Newton disposal area which must be completed in 1978. Bi-monthly meetings with selectmen and planning board members were necessary to interview contractors, compactor dealers, engineering firms and State agencies. The initial work was begun in December with completion planned for 1978.

Respectfully submitted,  
Alan Nason, Chairman  
Shirley Sherrill, Secretary  
Myrtle Rogers  
David Bisson  
Forrest Reynolds  
Winnie Williams

## NEWTON FIRE DEPARTMENT

Many of the building fire calls during the past year were the result of the increased use of fireplaces and wood burning stoves. These stoves must be installed properly, with adequate clearances from combustible materials and with all stove pipe connections secured by sheet metal screws. Wood burning stoves have the potential for producing great amounts of heat and can rapidly raise the temperature of surrounding material high enough to start a fire. Information describing the proper installation of wood burning stoves is available from your fire department.

Chimney fires are more common now because as wood burning stoves and fireplaces are used, material much like charcoal is deposited in the chimney. As the material builds up, it reaches a point where it traps heat and a chimney fire starts. This type of fire is dangerous because it can extend into partitions in the house through cracks in the chimney or by overheating wood near the chimney. The fire can remain hidden for a long time and cause much damage before it is detected. For this reason it is also a great hazard to life. The best defense against this type of fire is to keep your chimney clean and inspect it to guarantee that there are no openings into the house. This includes unused chimney connector openings. These openings should be sealed with brick and mortar, not metal covers.

Your fire department has been busy this year. In addition to responding to emergency calls, we have held training sessions twice a month. Training this year has covered procedures for structural, automobile and woods fire suppression. In addition, several training sessions on the new Jaws of Life rescue tool were held. This special tool, used to remove victims trapped in automobile accidents, was obtained for the fire department, at no cost to the town, through the efforts of Police Chief Robert Donovan.

Fire prevention activities have included the annual fire safety programs for the nursery school kindergarten and first grade students and the oil burner permit and inspection program. We also inspect wood burning stove installations and offer recommendations.

Your fire department urges you to take the following steps to protect your family against fire and to help us serve you better.

1. Be careful when using fire and remember that most materials in the house can burn and produce deadly smoke.

2. Each family should have at least one properly installed smoke detector in their home and have a plan so that everyone can safely escape from the house during the day and night.

3. Make sure that your house number is prominently displayed so that it can be easily seen from the road.

4. When requesting emergency aid, give your name, house number, street name and type of emergency. The house number is very important because it provides a means of pinpointing the location.

5. Telephone stickers with the fire department and police department emergency telephone numbers are available at the Selectmen's office during the day, Monday through Friday. House numbers are also available there as are a limited supply of TOT FINDER decals for placement on bedroom windows of children and invalids.

Your fire department asks your help to reduce the number of building fires and in so doing, to reduce the hazards to you and your family.

Chief Russell Estabrook

Chairman

## POLICE CHIEF'S REPORT 1977

The year 1977 has seen the crime rate decrease slightly, vandalism has been down as well as house breaks on the decline.

The major problem this year has been automobile accidents. Each year the number of accidents keep increasing and a large number of people are needlessly injured or maimed.

We are in hopes for continuing one hundred percent funding from the N.H. Highway Safety Agency to run the radar patrols in addition to our regular patrolling to cut down on the accident rate and speeders and make our streets safer to travel on.

We intend to institute a neighborhood watch program this year, asking all citizens to report suspicious persons and motor vehicles to the Police Dept. in all sections of the town, mainly during working hours and vacation periods. This will be a tremendous help in cutting down on the crime rate.

As in the past I would like to thank the people of the town for their continuing support of the town and co-operation to the Police Dept. and also to thank the rest of the Town officials for the assistance they have given us.

Respectfully submitted,  
Robert S. Donovan  
Chief of Police

## 1977 POLICE ACTIVITIES

Suicides	0
Superior court cases	2

## **NEWTON PLANNING BOARD**

### **Report for the year ending 1977**

On November 16, 1976 the board reaffirmed its position in regards to limiting subdivisions to a maximum of three lots. In the case of a large remaining parcel of land in excess of ten acres, three lots plus the remaining parcel of land. This position of the board is still in effect to date.

The following subdivision plans of land were approved:

January - Stephen Santry & Paul Langford on So. Main St.

April - William & Patricia Bilodeau on Bartlett Street

May - Keezer Realty, Inc. on New Boston Road

August - George & Douglas Laskey on Meadowview Drive

August - Donald Richards on Peaslee Crossing Road

October - Albert Lynn, on Wentworth Drive, Newton, N.H. & West Hadley Road, Merrimac, Mass.

The Planning Board also conducted extensive research and evaluation on all preliminary subdivision plans brought before it. The preceeding was a list of those approved. There were also those that the board disapproved because they would have had a detrimental effect on the town and its citizens.

On June 23, 1977 and June 30, 1977 Public Hearings were held to discuss the following proposals for changes in the Newton zoning map and ordinance.

1. An addition of a Senior Citizen residence zone.
2. An addition to an industrial zone West of Whittier Street and South of the Boston and Main Spur Line.
3. A new commercial zone on the North side of Route 108, East of the Plaistow Town line.

The preceeding proposals were adpoted by special town meeting August 3, 1977.

On May 11, 1977 Selectman Richard Sicard was appointed Selectman member of the Planning Board.

On October 12, 1977 the Planning Board unanimously voted James DiCicco Board Secretary, replacing Evelyn Frappier.

On October 26, 1977 Mr. Bruce Maxson was appointed by Selectmen as a new member of the Planning Board.

Because of the continued concern in Southern New Hampshire regarding rapid growth, the Newton Planning Board will continue to try to control the growth within its bounds. This is to protect our water supply, natural resources, and rural atmosphere. It is our hope that the Townpeople will support us in our goals.

Respectfully Submitted,

Vernon Storey, Chairman

James A. DiCicco, Secretary

Lucien Cloutier

Thomas Grogan

Ralph Bean

Bruce Maxson

Richard Sicard, Selectman Member

- 3 Reported cases of Mumps
- 13 Approvals for replacements or alterations to Septic Systems

### Complaints:

- 2 Obnoxious Septic Systems
- 2 Bacteria present in water (Test negative)

Respectfully Submitted,  
C. Stuart Garden

## CEMETERY TRUSTEES REPORT

The removal of the dead tree from the Old Town Cemetery has made a big difference in the appearance and has made maintenance much easier. A fresh coat of paint on the flag pole and fence post at Willow Grove was completed. This year we hope to improve the soil conditions. The Quaker Grove and the old cemetery behind the housing project are beyond help other than keeping the brush down, but the Hoyt and the Chase Cemetery need immediate attention if they are to be preserved. Some of the grave stones in the Old Town Cemetery are in bad shape and should be repaired.

The research project is well along. The cemetery maps are completed and the lists of the deceased are as accurate as possible at this time. We have found many unknown graves where identification is almost impossible. We have not been able to find the names of anyone buried in Quaker Grove and even the origin of the graves behind the housing project remain a complete mystery. Reports of old burial grounds and single grave sites remain undocumented.

Respectfully submitted,  
George F. Marshall, Chairman  
Trustee of the Cemetery

## ANIMAL CONTROL OFFICER'S REPORT

From April 23rd to December 31, 1977 I responded to 121 complaints.

The total number of dogs licensed this year was 282, including 3 kennel licenses.

The state has passed new laws concerning animals. The fees for licensing your dogs have been increased. There have been some changes in the law concerning the restraining of animals. If you wish to have any information concerning these new laws, please call me at 382-5957.

### Breakdown of complaints responded to in 1977:

#### Number of calls on dogs:

Complaints of being unrestrained	45
Abandoned	10
Complaints of barking	10
Hit by cars	7
Attacking domestic animals or wild game	19
Doing damage to property	4
Lost	3
Causing motor vehicle accidents	1
Complaints of dog bites	5

#### Number of calls on cats:

Hit by cars	4
Doing damage to property	1
Abandoned	2
Complaints of cat bites	1

#### Number of calls on horses:

Running loose	3
Hit by car	1

Number of calls on sheep: 1

Number of calls on chickens: 3

Number of calls on fox: 1

Total complaints 121

Respectfully submitted,  
William K. Murphy  
Animal Control Officer

## **EXETER AREA VISITING NURSE ASSOCIATION, INC. REPORT**

The Exeter Area Visiting Nurse Association, Inc. is a Community Health Service providing health care to individuals and families in their place of residence or in ambulatory care settings for purposes of preventing disease and promoting, maintaining or restoring health or minimizing the effects of illness or disability.

The following services were provided by the Visiting Nurse Association to the Town of Newton during 1977.

A total of 123 Nursing, Physical Therapy, and Home Health Aide visits were made to 39 Newton residents. 1583 units of service were provided to children and adults through the Association's Child Health and Adult Screening Clinics. In addition to these services, the Visiting Nurse Association provides discharge referral services to Newton residents at the time of discharge from area hospitals, provides consultation to various other health agencies and health related persons, and refers numerous persons to the appropriate source to assist in meeting their needs. Last year in November, the Visiting Nurse Association sponsored and conducted large clinics to immunize the public against Swine Flu.

Information may be obtained by calling the Exeter Area Visiting Nurse office Monday through Friday, 8:00 A.M. to 4:00 P.M., telephone 772-2981 or write 17 Prospect Avenue, Exeter, N.H. 03833.

Representatives from Newton to Board Directors are Mrs. Marie A. Huard and Mrs. Ann F. Murdock.

## **SOLID WASTE STUDY COMMITTEE**

In April 1977 the Board of Selectmen appointed a Solid Waste Study Committee, comprised of members of the Planning Board, Conservation Commission, and the Selectmen's Assistant, for a total of eleven members. The committee's purpose was to investigate and report to the Selectmen the various options available for eliminating the existing "open dump", as required by both Federal and State Law, and to recommend a substitute method for the disposal of residential and commercial waste, scrapped appliances, brush, stumps, construction material, tires, and dead animals.

It took but two committee meetings for its members to realize the serious complexity of the problem and the necessity to obtain, as readily as possible, a working knowledge of solid waste management. Accomplishing the purpose would require the advantages and disadvantages of systems, approximate cost, environmental factors, esthetic considerations, health factors, legislative constraints and administrative simplicity. To this end, the committee began researching the subject and gaining a measure of expertise by obtaining and reading literature, visiting solid waste facilities, meeting and talking with representatives of companies involved with solid waste management and/or equipment, etc.

In the period April 5, 1977 to January 1, 1978 the full committee met on eighteen occasions. In addition seven meetings were held with individual companies involved with solid waste; Three meetings were held with Southern Rockingham Regional Planning District Commission staff personnel in Salem, and numerous conversations were held with state officials; two seminars held at UNH on solid waste management were attended and visits were made to six New Hampshire towns to tour and/or discuss solid waste programs.

The committee did a rather intensive study on the solid waste management alternatives for:

1. House-to-House Collection
2. Transfer Station with Loose Packed Waste
3. Transfer Station with Compacted Waste
4. Transfer Trailers
5. Incinerators
6. Recycling
7. Sanitary Land Fills

All alternatives were presented to the Board of Selectmen together with an unanimous committee recommendation that a transfer station equipped with a three and one half (3½) cubic yard compactor be established at the existing dump site and that the compacted waste be hauled to the Kingston Sanitary Land Fill. It was further recommended that there be included a capability to start voluntary recycling and areas be established for the disposal of brush, stumps, construction material, tires, scrapped appliances, and dead animals. The recommendations were accepted by the Selectmen, the overall plan was approved by State Bureau of Solid Waste Management and the Air Pollution Control Commission, bids were sought and let for equipment, an Engineering Study was conducted, site preparation bids were sought and work finally started on the transfer station in mid-December.

Respectfully submitted,  
Thomas F. Grogan,  
Chairman

## NEWTON HISTORICAL SOCIETY

The Newton Historical Society has been busy this past year cataloging vital statistics from old town records and preparing geneologies of the old town families. This is a continuing project.

We have opened the town museum on several occasions this year and helped with the barn raising in the back of the museum.

We plan open meetings this year to interest more townspeople in the Historical Society.

We are urging people with old houses to please trace them so that we might date all the old houses in town.

Virginia Borden  
President

## **REPORT OF YOUR COMMISSONERS ON THE SOUTHERN ROCKINGHAM REGIONAL PLANNING DISTRICT COMMISSION (SRRPDC] ACTIVITIES**

Seven area towns having a total of fourteen nonpaid commissioners and seven full time staff personnel, consisting of a Planning Director, Assistant Director, Soil Scientist, Office Manager, and three Regional Planners, compromise the SRRPDC. The year 1977 was Newton's first full year in the Commission and the town had 100% representation at the Commission meetings. At least one of Newton's two appointed commissioners were present at each meeting. Mr. Vernon W. Storey, vice chairman of the Commission, had 100% attendance and Mr. Thomas F. Grogan 85% attendance.

The Commission provides its member towns with a variety of services encompassing three general catagories: Technical Assistance, Regional Planning, and Coordination. Decisions with respect to what activities the planning staff emphasizes or which town will be assisted with what projects, are initially made by the Commission.

**TECHNICAL ASSISTANCE** - Technical assistance activities performed specifically for Newton during 1977 were as follows:

- Began work on the Newton Soil Survey.
  - Performed several on-site soils investigations for the Planning Board.
  - Assisted and provided guidance to the Selectmen and Solid Waste (Dump) Committee on a Solid Waste Study.
  - Assisted the Selectmen and Planning Board on a proposed rezoning change for Senior Citizens Housing.
- 
- Assisted the Planning Board on proposed subdivision applications.

It is the considered opinion of the undersigned that any one of the above activities would have cost the town considerably more than the \$1,440.00 annual dues paid the Commission in 1977.

**REGIONAL PLANNING** - Regional planning activities always affect more than one town and may affect all towns. The three principal activities of planning conducted during 1977 were: Water Quality, Transportation, and Land Use. In the area of water quality there were nine significant developments including the completion of soil mapping for three towns, wetland inventories for three towns, Water Quality Testing Program and the publication of reports on "Water Quality Parameters and Their Significance", "Eutrophication: A Threat to N.H. Lakes and Ponds", "Road Salt Report", the effects and effectiveness of mosquito control, recommendations to towns on changes in Subdivision Waterwaste Regulations, and aquatic weed control alternatives.

In the area of transportation planning two grants were received from the Urban Mass Transportation Administration for transit planning in the Atkinson-Hampstead-Plaistow-Salem area and the Newton-Kingston area. A total of thirteen reports were completed on various transportation subjects including traffic volumes, analysis of parking characteristics, Transportation Improvement Program, transit planning

papers for the Newton-Kingston area, etc. The major land use planning effort involved the merging of land use planning efforts from each of the three planning commission areas into a single land use plan for the entire Strafford-Rockingham Regional Council Area.

**COORDINATION** - The coordination function is intended to assist the town government either with State or Federal Government in the form of getting information the town needs, assistance in completing a grant or loan application and trying to resolve any inter-governmental dispute. Federal programs about which the Commission provided the most information to towns during 1977 were:

1. Housing and Community Development Act
  2. Flood Insurance Act
  3. Land and Water Conservation Act
  4. Federal Aid Highways Acts
  5. Urban Mass Transit Assistance Acts
  6. Public Works Employment Acts
- Town officials were also provided information about various legislation, in draft or final form, from the 1977 Legislative Session. Largely, the information pertained to legislation potentially affecting town planning programs.

Respectfully submitted,  
Thomas F. Grogan  
Vernon W. Storey  
Newton Commissioner, SRRPDC

## VITAL STATISTICS

**BIRTHS RECORDED IN THE TOWN OF NEWTON, N.H.  
FOR THE YEAR ENDING, DECEMBER 31, 1977**

<b>Date</b>	<b>Name of Child</b>	<b>Sex</b>	<b>Name of Father</b>	<b>Name of Mother</b>
<b>1976</b>
